EBS PO hosts second Industry Day meeting *by Hang Pham, EBS Program Office*

WRIGHT-PATTERSON AFB, Ohio — On Feb. 20, the Enterprise Business System Program Office (EBSPO) successfully hosted a second Industry Day meeting with vendors interested in bidding on the first EBS package, the Plan and Program Module (with Cross-cutters). Approximately 100 vendors and AFRL staff attended and the agenda included presentations from the P&P community to provide perspective as to what the sectors need in this module. Tim Sharp (XPT), Ricardo Negron (XPP), and LtCol Pat Gould (Sectors) presented their perspectives and a Q&A session followed.

The primary areas of interest during the Q&A session were:

- Role of AMS
- Testing
- Training
- System sustainment

The entire events of the day were recorded on video. The proceedings of the Q&A session are posted in PIXS. PIXS is located at: <http://www.pixs.wpafb.af.mil/pixslibr/02r9002/02r9002.asp> @
